## STORE YOUR SHOES IN STYLE

Your growing shoe collection is precious and deserves to be stored in style. With manostiles shoeboxes you can easily see what's in your collection, create order in your wardrobe and own shoes that will last for years. Our new range of patterns, sizes and shapes make them easy to mix and match, all made from sturdy cardboard wrapped in beautiful fabric.

## BOXES FOR YOUR ACCESSORIES

Jewellery is best kept in boxes. Air humidity makes silver oxidize, giving it black edges and a dull look. Manostiles has produced a collection of pretty boxes that can store everything from jewellery to make-up, scarves and belts, so you can protect what's precious to you.
