## BEAUTIFUL, PRACTICAL TRAYS MADE FROM DURABLE MATERIALS

Whether you're serving lemonade on the terrace, breakfast in bed or champagne on the beach, with the manostiles' collection of beautiful melamine trays you'll have a tray for every occasion. Use the trays at home to place under decorative vases or tea light candles - or for serving up a light snack. The durability of the melamine makes it easy for you to take the trays outside and even let the kids use them for outdoor tea parties.

Manotrays are available in three designs: round, oval and rectangular, all in beautifully balanced colours with light, organic patterns.

The Manotrays are a part of the Manomelamine Dinnerware collection.
